Gentlemen:

I, Grace Thornton , own and operate a store and Gasoline station in Stallion Springs, A Community of Tehachapi, Ca. I attended Certified Food Managers Course May 17, 2006, at this address and enjoyed it very much.

The purpose of this letter is to commend the young Gentleman who conducted the Class. He did an outstanding job, gave clear examples, and answered all questions in a manner that all in the class could understand. He was Very Business-Like through the session, yet He demonstrated a sence of Humor. Please give Him our Thanks!
